Periodic Report No. 5 For the period 06-06-2021 to 11-06-2021

XR-OS Wearable : Reduce E-waste and Personalize Computer

Adarsh(CHN17CS005) Andreas(CHN17CS020) Nandagopan(CHN17CS078) Praveena(CHN17CS091)

## 1 Work Assigned

Make the webcam feedback as an overlay and final build.

## 2 Work Done

We were able to make the webcam feedback as the opening view of the display. Now the user will be able to view his outside environment through the screen. The final build of the project is also complete.

## 3 Work Schedule for Next 10 Days

Finish the final report and apply for publishing in a journal or conference paper.

## 4 Assessment of Guide

Performance assessment & Remarks by the guide: Poor/Acceptable/Satisfactory/Good/Very Good/Excellent

Name & dated signature of the guide:
