1 Work Assigned

Complete initial implementation stage

2 Work Done

On 18/08/21 done my design presentation and its cleared with suggestions like change my problem statement and proposed solution into simple one,add a simple design diagram to understand project design, writing style etc.
start implementing modified DCP algorithm (ie,first step of algorithm)

3 Work Schedule for Next 10 Days

Study on image fusion and weight maps
complete first step of algorithm(Derive 3 inputs from original hazy input for fusion)
