College of Engineering Chengannur
Department of Computer Engineering
M. Tech. Computer Science(Image Processing)
03CS6902 Mini Project
Periodic Report No. type 3 (For the period 21-5-21 to 30-5-21)
Project Domain : COMPUTER VISION
SHIVANGI M
CHN20CSIP06

1 Work Assigned

To select the area and domain and prepared the abstract of selected topic.

2 Work Done

Searched about different areas in image processing and went through the topics learned in first semester to get an idea of the topic.Selected computer vision as the domain of the project.Learned about it and decided what can be done.
Searched more about the selected topic that is AIR CANVAS.Read and selected related reference papers.

3 Work Schedule for Next 10 Days

To go through the topic properly and required provide changes.Decide about the approaches to be used and learn further details which is to used and can be included in the project.
